From the Desk of the First Selectman

Thank goodness we are heading into what appears to be a perfect spring I hope you are all planning a large vegetable garden with a border of the prettiest flowers ever. I am also anxious to sit in the park with a sky slowly darkening watching a movie or listening to the sounds of music filling the air competing with the birds for attention. It is the time of year to enjoy the warmth filling our bones!

As a reminder the budget is scheduled for a vote on June 7th, 2016, please check the Town’s website for specifics. In addition a paper copy of the budget is available in the Town Clerk’s office.

We had some wonderful events in May. First, we honored those who gave the ultimate sacrifice with one of the best parades ever! Just about every community group participated showing how much they care for those who gave that ultimate sacrifice. Secondly, the garden club had its yearly plant sale joined by a library book sale at the same time. I am glad to report that they were both successful.

We are now gearing up for movie nights, river runs and our summer concert series. I hope to see you all there.

As always thanks for your support!

Imagine a classroom filled with smiling students excited to embark on journeys and adventures provide by new and thrilling books. The pages are crisp and untouched, the covers glistening, the students are eager to begin their expeditions. Donorschoose, an organization founded in 2000, has been supporting public school teachers all across America by helping fund these amazing endeavors. Donorschoose has over 2 million supporters and has helped over 18 million students in classrooms nationwide. Thanks to friends, family, and anonymous donors, teachers are able to create a project and receive funding for books, classroom supplies, technology, field trips, and other resources to enhance the learning process.

At Sayles School, two teachers, Ms. Scovish (grade 6), and Ms. Bittner (grade 5) posted projects on DonorsChoose, hoping to receive new materials for their classrooms. Thanks to the anonymous donors at DonorsChoose, as well as family and friends, and people around the nation, Ms. Scovish and Ms. Bittner received full funding for their projects. They have received resources including books, bean bag chairs, book boxes, notebooks, and other crucial classroom materials. Ms. Scovish will receive a set of books titled “The Boy in the Striped Pajamas” to further student’s interest in the World War II era. This year, they have read other novels such as “The Diary of Anne Frank” and “Number the Stars” engaging students in the Holocaust. Ms. Bittner will also receive numerous books as well as a new bookshelf to house the new treasures. She hopes to increase student interest in reading by offering numerous genres to her fifth grade class. Both Ms. Scovish and Ms. Bittner are very grateful for the support they received and cannot wait to see these materials in their classrooms to enhance the learning experience for their students.

A BRIEF HISTORY OF AMERICAN BOOKMOBILES... IN PICTURES

The first American bookmobile was actually a wagon. Mary Titcomb, a Maryland librarian, recognized that having books was only one part of the library’s job: the other part was making the books accessible.

The Washington County Library Wagon took books around the county, making scheduled stops in addition to impromptu dispersals. The idea of bringing books to patrons caught on in the U.S., spurred by a widely distributed population and the desire for civic improvement. The Everett County Public Library has what is believed to be the oldest operating bookmobile, manufactured in 1924, and since fully restored.

An influx in public funds from the WPA during the Great Depression, especially in the South, led to a surge in library initiatives, bookmobiles included.

This bookmobile from Chester County, South Carolina is a good example.

Post-war prosperity, a booming automobile industry, and increasing suburbanization continued the expansion of bookmobile service. The below picture of a Brooklyn library bookmobile doesn’t really capture all of the trends of the time, but look at the kids! As libraries have become the community’s digital gathering place, bookmobiles have also been transformed into movable internet hubs. El Paso County’s bookmobile was one of the early examples of this shift, with onboard workstations and satellite internet service.
Sprague will experiment with its first Library Bookmobile!!!

On Thursday June 16th The Sprague bookmobile will go out to the community for its first visit!! At approximately 1:15 we will stop at the Versailles Post Office. At 1:45 we will stop at the Hanover Playground. At 2:15 we will be at the triangle at the top of Pautipaug Hill.

Please bring your library card. If you don’t have a card, bring proof of residency (Mail with your address on it) and we will issue a card to you. The limit will be 2 books because of limited space until we see what to expect!

We hope this venture will be a success! If there is are special requests please call the library the week before and we will honor that request upon availability.

OPEN HOUSE!

The Baltic Fire Engine Company will be hosting an Open House on Saturday, August 20 from 11am-4pm. This event is going to be fun and informative for all ages! We will be on hand showing off our equipment, training, and capabilities, promoting safety for all ages, answering questions, and, of course, recruiting! Several key events will occur throughout the day; some highlights include:

- Vehicle extrication
- Apparatus displays
- Kitchen fire demonstration
- Health screenings
- Kids’ fire safety trailer
- Question and answer opportunities with Department Leadership.

The Ladies’ Auxiliary will be on hand giving away popcorn and selling lunch!

What if you called 911 and nobody came??

Many citizens are unaware that the Fire and Emergency Medical Services provided to the Town of Sprague are made possible through the dedication of volunteers. Volunteer firefighters and emergency medical personnel donate their time, energy, and skill without the aid of paid staff to ensure the well being of the citizens of Sprague; year after year men and women like you provide an invaluable service to their neighbors when they are needed most. For 150 years the members of the Baltic Fire Engine Company have answered the call and rendered prompt and professional service to Sprague and the surrounding community. Now more than ever we are in need of volunteers to fill our ranks.

We aren’t looking for heroes, just neighbors. We train you!

Benefits include:

- Free training
- Access to facilities (including hall)
- Up to $1000 town property tax deduction
- Free annual physicals
- Pride in making a tangible difference!

See any member for details, call 860-822-6580, or stop by! Drill/Training Mondays at 10:00 am and 6:30 pm. All are welcome!
Ride the Shetucket River

The Town of Sprague will resume the wildly popular Ride the Shetucket events for 2016. Once monthly during the warm weather season and depending on the natural water level of the river the Town of Sprague will provide a free shuttle between River Park and Scotland Dam. Participants can put in any time between 10:00 and 12:00. You can ride the river as many times as you wish during that time frame. The ride is 4 miles long and takes approximately 2 hours. Dates for 2016 are: April 30th, May 28th, June 25th, July 30th, August 27th, September 24th, and lastly October 15th (possibly at night). Since Ride the Shetucket is dependent on the natural water level, check the Town website prior to the event for any cancellation postings. Paddlers need to have PFD’s and a distress whistle. www.ctsprague.org. For more information contact Lou Dzialo 860-822-6043.

Ride the Shetucket River

The Town of Sprague will provide a free shuttle between River Park and Scotland Dam.

There will be NO water release scheduled thus we will only provide transport when the river is at a level that will naturally provide for easy travel. Participants can put in any time between 10:00 and 12:00. You can ride the river as many times as time and the water level allows. The ride is 4 miles long and takes approximately 2 hours.

Dates for 2016 are: April 30th, May 28th, June 25th, July 30th, August 27th, September 24th, and lastly October 15th (possibly at night).

Since Ride the Shetucket is level sensitive, check the Town website prior to the event for any cancellation postings.

We will be planning for hikes up along the Shetucket, over the Scotland Dam then back down along the Shetucket on days when the river level is too low to kayak (or tube down).

Paddlers need to have PFD’s and a distress whistle. www.ctsprague.org

Dennison Allen Town of Sprague Representative
I want to thank all who have donated to the Salvation Army by donated checks to the Upper New London County Service Unit and sending them to, 34 Riverside Dr., Baltic, CT 06330 during the past year.
Spring is here. Keep your fuel tanks full and keep food water, etc. on hand in case of more bad weather.
Do you follow a budget? Money in money out and what to do with any money not needed this month? Maybe put in a savings account.
By the way have you sat down with your family and talked about where to go if you need to leave your home, so all can be accounted for? Do you have a 24 hour kit ready if you need it?
If you need food, call the Town Hall and speak to Colette.
Thanks to Scouting for food there is food to help you.
May the Lord bless you with all the things you ask for and are needed for you and your family.

Note from the Editor: Elizabeth Calderon

The deadline for Our Town submissions (and corresponding payments for ads) is the **15th of each month**. Submissions will be no more than 200 words and must be e-mailed to spragueourtownnewsletter@gmail.com. No series will be accepted. Longer articles may be submitted and used based on room at the Editor’s discretion. The focus of Our Town is community events, articles, commission notes and other items of town-wide interest. Annual budget considerations may affect page appropriations. Ads have no restriction on word limit and must be **pre-purchased** at rates of: Business Card $21; Double Business Card $40; Half Page $70; Full Page $100. Purchase 11 months and receive the 12th month free. All payments for ads are made in the Town Clerk’s Office at Town Hall. Sprague~ Our Town is a free monthly publication of the Town of Sprague, serving the communities of Baltic, Hanover & Versailles. Primarily funded by the Town, support is also provided by paid advertisements. Opinions expressed in Sprague~ Our Town are not necessarily those of town officials or the community at large, but solely reflect those of the writer. Submissions may be edited for clarity and formatted as necessary. Libelous or obscene materials are not permitted.
