Newsletter Deadline:
There will be no late submissions accepted for the Our Town. As a reminder, the Our Town deadline is the 15th of every month. The newsletter will be collated on Saturday, August 27 for the September issue, we will meet at the Town Hall at 10 am. Contact Elizabeth for details. If interested in volunteering email Elizabeth @ Spragueourtownnewsletter@gmail.com
From the Desk of the First Selectman

We are deep into the doldrums of summer. It is the time of year when we ensure our young and young at heart are drinking plenty of water and not overly exerting themselves. A gentle reminder please do not leave pets tied up outside it is simply put not good for them.

The Town of Sprague has been hard at work on the capital projects authorized in the budget approved for 2016/2017.

We have ordered a dump truck which will replace the yellow dump truck circa 2000; it is slated to arrive early this winter. In addition we received a grant that will help cover the costs of replacing three large pieces of equipment (a sweeper, a roadside mower and a vac-all). The Town will share this equipment with Bozrah and Franklin. They will be housed in Sprague.

We will also be replacing one of our senior vans circa 2001. We also a received a grant to cover a large portion of the replacement cost of this piece of equipment. This should arrive this summer.

We will have security cameras installed around the assets of the Water & Sewer department. This should be completed before September rolls around. In addition a repair to the splitter box will be completed by early fall. This item separates the sewerage at the treatment plant and is necessary for the efficient operation there.

We are going to be putting out to bid plans to repair up to three dry hydrants in Town necessary for water access in areas that public water is either not available or not prolific enough. These projects are planned for a late fall completion.

Road repairs will be out to bid soon. They include drainage on Fullertown Rd, curb repairs and upgrades to a variety of lengths of ribbon rail. These projects are also planned for a late fall completion. We did receive another CDBG grant to work on another section of road in the Village of Baltic. This project will be completed no later than the spring of 2017.

A study to assess the work necessary to address issues concerning the Hanover Dam is currently under way. We hope to be able to outline repairs and improvements necessary for this aging dam and the silting in of the pond. Once we have this information we will determine resources available to complete the recommendations.

We continue upgrading the Baltic Fire Department’s building with the resources made available. These include air conditioning in the office areas, plans to make the bathrooms ADA accessible and a commercial washer and dryer which will handle cleaning turn out gear.

We appreciate the support of the Town which allows us to upgrade the infrastructure keeping everything in running order.

As always thanks for your support!

Sprague Democratic Town Committee Update

Our July meeting Guest Speaker Mr. Larry Goldman, State Central Committee Member and Norwich Democratic Town Committee Chairman, spoke regarding many issues. He listened to our concerns to bring back to Democratic State Central.

The Sprague DTC encourages residents to register to vote. Registered democrats interested in serving on Town boards or joining the DTC should contact me Claire Glaude at 860-822-9111. Please visit the Sprague DTC website @ SpragueDemocrats.org for updated information.

The Old Federal Paperboard

This is just a quick update on the Old Federal Paperboard site owned by Fusion Paperboard (a plank of Open Gate Capital).

The Town has been granted by the bankruptcy court a “right of stay”. This means that we have moved back into the foreclosure action on the property due to a non-payment of taxes. This is good news as we now have an opportunity to see an active reuse of the property with either a new business or businesses. We still continue to receive inquiry’s regarding purchase of the site.

The EPA was onsite in May making a determination on the containment lagoons and other areas needing cleanup and the possible cost of said cleanup.

I will keep you informed as we move through the process regarding the quagmire concerning the paper mill property.

As always thanks for your support,

Bridge Improvements

The Town of Sprague will be seeing improvements to two state bridges over the next twelve months.

First, there will be improvements to the bridge over the Baltic Mills Canal. DOT has indicated that there will be some traffic impact but the road will be kept open. This will not be a complete replacement, it will require the bridge to be raised about \(\frac{1}{4}\) to a \(\frac{1}{2}\) an inch for repairs. There will be some sidewalk repairs, too.

Second, there will be a substructure replacement to the bridge over Beaver Brook between the Town Hall and the Post Office. This will require traffic diversion during the summer months of 2017 for a period of approximately two to three months. In addition there will be an informational meeting to be held at the Town Hall on August 24th, 2016 at 7pm. Please attend to see the plans and have your concerns addressed.

Sprague Solar Farm

The solar farm project will start to be visible over the next few months. Plans have been submitted to the Building Official and are being reviewed. Private agreements with the landowners have been reached and will soon be recorded on the land records. The Town is scheduled to receive the first of twenty payments of $200,000 a year for the next 20 years. This is a total of $4 million dollars for the Town of Sprague and covers the tax benefits we used to receive from the Fusion Paperboard.

VERSAILLES POND CLEAN-UP

We are another step closer in cleaning up Versailles Pond. This work, which will be paid for by International Paper as has been agreed upon, is reaching a point of conclusion on the investigative research side of things. In speaking with the DEEP they have affirmed that the process is moving closer to a point of resolution and ultimate action.

The 6th grade classes at Sayles School celebrated "Moving Up Day" on June 6th. Parents, friends, and family gathered to hear about all of the accomplishments that these amazing students have achieved this year. Students were given awards for their achievements and a certificate to acknowledge their progression into the next grade. The event was concluded with refreshments and an opportunity for families, staff, and students to socialize. A great morning was had by all!

On June 1, Sayles School students participated in an entire day that was comprised of amazing Field Day events. From activities such as the Amazing Race, Kick Ball, face painting, a giant inflatable obstacle course, and the Tug of War, the day was packed with fun filled activities that kept smiles on the students' faces. The staff and students of Sayles School would like to give Mrs. Gerri Staggs and all the parent volunteers a heartfelt thank you. Mrs. Staggs spent hours planning and preparing the events of the day and over 20 parent volunteers

Ride the Shetucket River

The Town of Sprague will resume the wildly popular Ride the Shetucket events for 2016. Once monthly during the warm weather season and depending on the natural water level of the river the Town of Sprague will provide a free shuttle between River Park and Scotland Dam. Participants can put in any time between 10:00 and 12:00. You can ride the river as many times as you wish during that time frame. The ride is 4 miles long and takes approximately 2 hours. Dates for 2016 are: April 30th, May 28th, June 25th, July 30th, August 27th, September 24th, and lastly October 15th (possibly at night). Since Ride the Shetucket is dependent on the natural water level, check the Town website prior to the event for any cancellation postings. Paddlers need to have PFD’s and a distress whistle. www.ctsprague.org.

Ride the Shetucket River

The Town of Sprague will provide a free shuttle between River Park and Scotland Dam.

There will be NO water release scheduled thus we will only provide transport when the river is at a level that will naturally provide for easy travel.

Participants can put in any time between 10:00 and 12:00. You can ride the river as many times as time and the water level allows. The ride is 4 miles long and takes approximately 2 hours.

Dates for 2016 are: April 30th, May 28th, June 25th, July 30th, August 27th, September 24th, and lastly October 15th (possibly at night).

Since Ride the Shetucket is level sensitive, check the Town website prior to the event for any cancellation postings.

We will be planning for hikes up along the Shetucket, over the Scotland Dam then back down along the Shetucket on days when the river level is too low to kayak (or tube down).

Paddlers need to have PFD’s and a distress whistle. www.ctsprague.org

OPEN HOUSE!

The Baltic Fire Engine Company will be hosting an Open House on Saturday, August 20 from 11am-4pm. This event is going to be fun and informative for all ages! We will be on hand showing off our equipment, training, and capabilities, promoting safety for all ages, answering questions, and, of course, recruiting! Several key events will occur throughout the day; some highlights include:
- Vehicle extrication
- Apparatus displays
- Kitchen fire demonstration
- Health screenings
- Kids’ fire safety trailer
- Question and answer opportunities with Department Leadership.

The Ladies' Auxiliary will be on hand giving away popcorn and selling lunch!

**What if you called 911 and nobody came??**

Many citizens are unaware that the Fire and Emergency Medical Services provided to the Town of Sprague are made possible through the dedication of volunteers. Volunteer firefighters and emergency medical personnel donate their time, energy, and skill without the aid of paid staff to ensure the well being of the citizens of Sprague; year after year men and women like you provide an invaluable service to their neighbors when they are needed most. For 150 years the members of the Baltic Fire Engine Company have answered the call and rendered prompt and professional service to Sprague and the surrounding community. Now more than ever we are in need of volunteers to fill our ranks.

*We aren't looking for heroes, just neighbors.*

We train you!

**Benefits include:**
- Free training
- Access to facilities (including hall)
- Up to $1000 town property tax deduction
- Free annual physicals
- Pride in making a tangible difference!

See any member for details, call 860-822-6580, or stop by! Drill/Training Mondays at 10:00 am and 6:30 pm. All are welcome!

### The Salvation Army

**Upper New London County Service Unit**

**Dennison Allen Town of Sprague Representative**

I want to thank all who have donated to the Salvation Army by donating checks to the Upper New London County Service Unit and sending them to, 34 Riverside Dr. Baltic, CT 06330 during the past year. Some of your neighbors still have needs, and there is still donations needed. Think about it. Do you follow a budget? Money in money out and what to do with any money not needed this month? Maybe put in a savings account. Do you have a 24 hour emergency kit ready if you need it? As a family have you decided how or where to meet if there is an emergency (house fire, flood etc)? If you need food, call Town Hall and speak to Colette; thanks to Scouting for food there is food to help you. If you have a little money extra you could bring some food to Town Hall for others. May the Lord bless you with all the things you ask for and are needed for you and your family.

Note from the Editor: Elizabeth Calderon

The deadline for Our Town submissions (and corresponding payments for ads) is the **15th of each month.** Submissions will be no more than 200 words and must be e-mailed to spragueourtownnewsletter@gmail.com. No series will be accepted. Longer articles may be submitted and used based on room at the Editor’s discretion. The focus of Our Town is community events, articles, commission notes and other items of town-wide interest. Annual budget considerations may affect page appropriations. Ads have no restriction on word limit and must be pre-purchased at rates of: Business Card $21; Double Business Card $40; Half Page $70; Full Page $100. Purchase 11 months and receive the 12th month free. All payments for ads are made in the Town Clerk’s Office at Town Hall. Sprague~ Our Town is a free monthly publication of the Town of Sprague, serving the communities of Baltic, Hanover & Versailles. Primarily funded by the Town, support is also provided by paid advertisements. Opinions expressed in Sprague~ Our Town are not necessarily those of town officials or the community at large, but solely reflect those of the writer. Submissions may be edited for clarity and formatted as necessary. Libelous or obscene materials are not permitted.
