There will be a Flag Ceremony on November 11th, 2016 at 11AM. Come join American Legion Post 85 to help us thank our veterans for all they have done. We will meet at the Veterans’ Memorial (changing this flag), then move to the Town Hall (changing out the Town Hall Flag). Light refreshments will be offered in the community room on the second floor of the Grist Mill afterwards where you may ask our veterans about their experiences.

From the Desk of the First Selectman

The autumn season has adorned our trees with the golds, reds and yellow honoring a wonderful summer, and bracing for a blustery white winter!

We have finished putting in dry hydrants at the River Park and the bridge on Potash Hill. This will enable us to provide water for our fire department. We have added in some more drainage, fixed curbing and put in some additional guide rail. The Town crew continues to tidy up the Town by clearing brush, straightening guide poles, mowing, trimming trees, etc. We will be cleaning out our catch basins soon, this process takes about 3 weeks as we now have over 500 structures that we clean out each year.

The recreation committee is preparing for a fun filled night of caroling in December; stay tuned for dates and times. It was a great event last year and promises to be better this year!

The Town was notified that they are receiving 2 grants, one will put a 5-bay dry storage garage at the salt shed area, one will clean up the ice skating pond area, placing pavers, around the pond, new lighting, etc. This will allow for a paved bus lot and a place to ice skate at night!

As always thanks for your support!

Catherine A. Osten ~ First Selectman

ON THE TRAIL WITH TROOP 19

The Troop has been busy! In October, we hosted a district-wide campout of Webelos scouts at Camp Deslandes. In all, over 100 scouts took part in learning scout skills, launching rockets, navigating an obstacle course, and much more. It was an excellent leadership opportunity in which our scouts began to learn how to take on and plan large events. We'd like to thank the Sprague Rod and Gun Club for their generous support that weekend. We couldn't have done it without them!

We delivered Scouting for Food bags on Saturday, October 29. Please give as generously as you can. The need is great, and we appreciate any nonperishable items you can give. If you want to donate more than the bag can hold, any bag or box will be fine. We will collect the donations on the morning of Saturday, November 5, so please leave them by the curb by 9am that morning. Thanks in advance for your generosity!

On the evening of Saturday, December 3, the Friends of Troop 19 will hold its annual auction. The proceeds of the auction fund the troop for the entire year. We use the funds to repair broken equipment, purchase new equipment, maintain the troop cabin, pay for heat and electricity, and help scouts who cannot afford scouting. It's a great opportunity to support the troop and also find great bargains. And if you have any items that you'd like to donate for us to auction, we're always willing to come take a look. Please contact me at the number below if you have anything of interest.

Letters for the table rentals have already gone out. We will again have table spaces available for rental – an 8 foot table which we supply at a cost of $25.00 per table. If you are interested and are not already on our mailing list, please call me at 860-822-8331 and leave a message. Menu for the kitchen was discussed and we will be making a few changes. Branching Out.....

Notes from the Tree Warden

By now I hope everyone in town is aware of all the lime green tags that I have posted on the ash trees in the Right-of-ways along all the town roads and the red or lime green tape that I put on all the ash trees that are over the roads but not within the Right-of-ways. I inventoried a total of 546 ash trees! I didn’t count anything smaller than 6” in diameter. The largest ash tree is on Pautipaug Hill Rd. – a beauty at 54” in diameter!

It was important for this survey to count all the ash trees that are over the town roads, even if only a limb or two. That is why I put flagging tape on many of the trees within a couple of feet of the Right—of-way boundaries.

I did not see any evidence of Emerald Ash Borers in our town. That doesn’t mean the bug is not here – it takes one to two years of the EAB to be in a tree before we can see the damage start in the tree. Loggers I talked to recently are seeing damage in ash trees as close as East Haddam – so is reasonable to expect they have made it to Sprague already. I will inspect ash trees scheduled for removal to see if I can confirm EAB presence.

It is important that the town takes some action against The Emerald Ash Borers – otherwise all the ash trees in our town will die in the next 3-5 years according to the scientists and foresters. We don’t want to ‘suddenly’ have to deal with over 500 dead trees in a short time frame. One characteristic of ash trees is that they become very brittle in 9-12 months of dying which results in major limbs breaking off. There are several effective pesticides currently being used to kill the EAB and save the ash trees. Property owners with large ash trees should consider having those trees treated to save them. Cutting them down is more expensive and it may take 20 years to grow another tree in the ash tree’s place.

I will try to put together an informational meeting in the near future to discuss the results of my ash tree survey and present options for treating ash trees in town.

Dave Gustafson ~ Sprague Tree Warden

PARENTS AND RESIDENTS OF SAYLES SCHOOL COMMITTEE

The parents and residents Committee is committed to a strong academic and social structure at Sayles School, to make it once again the center and core of the Town of Sprague. To quote Superintendent Dr. Senesac’s words in 2012: “Like all towns in Connecticut, Sprague has its cultural traditions, and they are about collaborations, harmony, trust and transparency, from the Board of Finance to the Board of Education” “Sayles School is the temple of the town, so any new leader coming in needs to understand that culture if they are going to be successful”.

A strong presence of Parents and Residents working together with the School administration, teachers and non-certified staff will not only make Sayles a model school but will also have a positive economic and social impact in the town. Please we encourage all parents and residents of the town of Sprague to be involved with numerous organization and committees, for example PTO, Recreation Commission, BOE, BOF.

**The Salvation Army**  
**Upper New London County Service Unit**  
**Dennison Allen Town of Sprague Representative**

I want to thank all who have donated to the Salvation Army by donated checks to the Upper New London County Service Unit and sending them to, 34 Riverside Dr. Baltic, CT 06330 during the past year. Some of your neighbors still have needs, and there is still donations needed. Think about it.

Do you follow a budget? Money in money out and what to do with any money not needed this month? Maybe put in a savings account.

Do you have a 24 hour kit ready if you need it?  
As a family have you decided how or where to meet if there is an emergency (house fire, flood etc)?  
If you need food call Town Hall and speak to Colette; thanks to Scouting for Food, there is food to help you.  
If you have a little money extra, you could bring some food to Town Hall for others.  
May the Lord bless you with all the things you ask for and are needed for you and your family.
