From the Desk of the First Selectman,

Well each year the groundhog makes a determination of when spring will come, often his prediction is wrong! Nonetheless the winds are changing, we are headed to a warmer time of year and I still plan on flying a kite this spring and am hopeful I will see a few more kite enthusiasts out there doing the same during the upcoming warm spring days.

We will be working on the 2nd to last phase of the completion of River Street starting in April. We are hopeful to complete this work sometime in June. In addition, we will be working towards the build out of a new 5 bay storage garage near the salt shed. The plans will be out to bid in May with completion by summer’s end.

The budget process is in full swing we are looking at ways to both build up our “reserve fund” and keep expenses in line. There will be a budget newsletter in your hands hopefully by mid-May which will include capital plans, salaries, and operating expenses for both the Town and the Board of Education. In addition the Board of Finance may be holding a pre-budget hearing to discuss Board of Education expenses, stand by for the date.

The Town will be having our very popular Easter Egg hunt on April 15th please stop by and join the Rec Committee and help us hide the eggs (of which there will be 6000). We are moving the venue to the school instead of the River Park thus it will be a rain or shine event! We will be having a parade to kick-off the start of Little League season on April 22nd at noonish. If you have time stop by and cheer our children on!

Please help, as you always do, on Earth day with a Town wide clean-up day which will be on April 22nd, bags and gloves are available in the gristmill parking lot. There is also the popular Free Dump Day at the transfer station on the same date.

As always thanks for your support,

Cathy ~ First Selectman

MEMORIAL DAY PARADE – 2017

The Baltic Fire Department, American Legion Post #85 of Baltic and the Town of Sprague are co-sponsoring this year’s Memorial Day Parade, **Monday, May 29, 2017, starting from Rt. #97, the Nutmeg Wire Parking Lot at 10:00 A.M.** The parade will travel west on Rt. #97, turn onto Main Street, making a left turn onto River Street and exiting onto Main Street at the end of River Street. The marchers will be led by the Norwich Free Academy Marching Band and will include a military contingent from the Connecticut National Guard, Boy Scout, Cub Scout and Girl Scout Organizations, members of the Sprague-Franklin-Canterbury Little League, members of the Baltic Fire Department, members and equipment from various local Fire Departments, Antique Cars and Trucks, Old Tractors, various floats as well as members from participating organizations. Hot Dogs and soft drinks will be served at the Baltic Fire House after the parade by members of the Baltic Fire Department, Ladies Auxiliary.

**PLEASE JOIN US FOR A BRIEF REMEMBRANCE SERVICE AT THE BALTIC VETERAN’S MEMORIAL**

Proposed Statue to be added at the Baltic Veteran’s Memorial, once funding has been raised, honoring all females having served in the Military. A female soldier in combat gear offering homage to all “fallen military personnel.”

NEWS FROM THE ECONOMIC COMMISSION

We are pleased to announce that after many years of work by many people in town, we have won the DECD brownfields grant of $2 million to complete the Baltic Mill site cleanup. This will put us in a position to be able to offer this property out for bid to businesses and developers for development. There are several ideas and suggestions on the table which will go through the proper process of vetting before anything is decided on by all of us. Many thanks to all have worked for the last 20 years on the Baltic Mill site. We may finally be seeing the light at the end of the tunnel! Our second leadership workshop was postponed because of snow so we will be re-scheduling for a Tuesday evening in April. If you serve on a board or commission or serve in any leadership capacity, you will be receiving an invitation and with the news of the brownfields grant we hope that you will join the discussion about the vision we all have for this part of our community.

We do have an opening for a new commission member. If you are interested, please contact Cathy Osten.

Respectfully Submitted,
Phyllis Nelson

Sprague Conservation Commission April update

Hello Sprague citizens, believe it or not, Spring is just about here in our wonderful town. Of course this also includes our beautiful Sprague Preserve which continues growing by the year. The big clean-up by the cabin is due to be complete this spring. We hope to have a celebration when all of this comes together. We have a lot to be proud of. I hope many of you have had an opportunity to walk with yourself or a friend in the woods. Anytime is a great time for this. We now have over 600 acres to wander on. We have recently received another open space grant to preserve more open space down by the Shetucket River closer to town known as the Bombero property. We will be looking to raise additional funds to combine with state funds to be able to complete this purchase. We need another $102,000 for this over 100-acre piece. Any ideas of sources please let us know.

We will be sponsoring our annual Earth Day Market down at the Sprague River Park on Earth Day April 22nd, 8:30am -12:30 pm Come join us. If you were planning to have a yard sale join us down at the park. Tables or spaces will be a $10 donation. Rep. Dubitsky and Rep. Skulczyck Host Office Hours in Lisbon

HARTFORD- State Representatives Doug Dubitsky (R-47) and State Representative Kevin Skulczyck (R-45) will host Office Hours on March 8th in Lisbon, where constituents can have an opportunity to discuss all current legislative matters affecting the district. The event will take place at the Lisbon Town Hall, 1 Newent Road, from 6:30 to 8:00 p.m. For more information, please contact the State Capitol offices for either State Rep. Doug Dubitsky or State Rep. Kevin Skulczyck at 800-842-1423 or email them at Doug.Dubitsky@housegop.ct.gov and Kevin.Skulczyck@housegop.ct.gov.

State Representatives Dubitsky and Skulczyck Discuss the 2017 Legislative Session

HARTFORD - State Representatives Doug Dubitsky (R-47) and Kevin Skulczyck (R-45) held joint office hours Wednesday night for their constituents to discuss the current legislative session and to provide answers to their local and statewide concerns.

The lawmakers who represent Lisbon and twelve other municipalities discussed various current state budget proposal, legislative priorities, Educational Cost Sharing (ECS) cuts, the HUSKY program, and Electoral College. A specific budget item of concern amongst area residents was the overall increase to the state’s pistol permits fees. Currently the initial fee for first time permits is $140, per the governor’s proposal, that amount would more than double to $370. In addition, five year renewals would also increase from $70 to $300.

“The state can’t raise money off of fees on a constitutional right,” Rep. Dubitsky said. “The fee cannot exceed the cost of administration. Yet, although many states are moving away from permits and fees altogether, Governor Malloy wants to generate revenue for the general fund by overtaxing a fundamental right.”

Rep. Skulczyck said “I am strongly opposed to the governor’s proposal that would look to increase permit fees. I will continue to stand in support of all Connecticut’s legal gun owners and will fight any increase of this magnitude.”

Rep. Dubitsky has submitted a bill to establish a reciprocity system between Connecticut and other states that have substantially similar standards for carrying a concealed firearm.

“It was a real pleasure to sit down and meet with the good people of Lisbon along with my colleague Doug Dubitsky,” Rep. Skulczyck said. “As policymakers it is our duty to listen to the people in our districts who are directly impacted by this budget and work to alleviate any of their concerns the best way we can and we will continue to fight for the needs of these residents.”

“The governor’s budget is just a proposal and will not be adopted as written,” Rep. Dubitsky said. “Republicans have produced responsible balanced budgets each of the past few years. The appropriations process is ongoing and we will continue to work toward a reasonable and balanced budget this year too.”
