From the Desk of the First Selectman,

Well summer is here and I am waiting for a stretch of warm, sunny weather! I want to have some good beach days with hot, dry sand to drag my toes through...

The budget process is completed; the main budget is approved, thanks so much! We do have to complete a vote on the capital projects which will happen in early July.

The Town continues to prepare for our summer events and hope you will stop by the concerts, and movies in River Park. We also have a robust summer recreation program which will run in July (applications are available in the Town Clerk’s office).

The public works crew is out roadside mowing. They also continue painting crosswalks and lines in our parking lots. We will be working on trail clearing (and we are looking for volunteers) and rebuilding trails throughout the summer. Please stop and thank them for all they do.

The Town has two large projects going on, the Plan of Conservation and Development and a Town wide revaluation. If you have questions or concerns about either of these please contact either the assessor (for the revaluation) or the land use clerk (for the Plan of Conservation and Development).

As always thanks for your support,

Cathy
First Selectman

Goin’ Postal 2017

Hello Sprague! Haven’t been here in a while and just wanted to let you know there’s a LOT going on this summer!

You’ll get a kick out of the sheets of 16 stamps called “Have a Ball” that include different kinds of recreational orbs from basketballs, baseballs, and soccer balls to tennis, golf and volley balls – and the stamps are TEXTURED! Great for the athlete in your life – or to affix to your child’s birthday party invites! And for your budding biologists interested in all things SHARK, we are getting a panel of sharks cool enough to thrill your kids and realistic enough to give you the chills

You don’t need to go outside this summer to catch the total eclipse of the sun. Try our high-tech Solar Eclipse Stamp with its gorgeous black and white view of a full solar corona surrounding the back lit moon. You can insure the perfection of these solar eclipse stamps by purchasing a protective sleeve developed just for them for only .25 cents.

Visiting the Sayles Back to School Bash? The Hanover Post Office have a Passport Acceptance booth on Wednesday, August 23 at Sayles School from 10 am – 2 pm. But don’t let the schoolyard fool you – anyone in need of a passport is welcome!

As you may know, the Hanover Post Office processes passports daily from 1 – 4 pm and then on Saturday from 8 – 11. Necessary documentation includes: a driver’s license, certified copy and photo copy of the birth certificate of the applicant, the complete application (DS-11 for first time applicants and anyone issued a passport while they were a minor, and DS-82 for anyone renewing their previous passport).

Does your passport expire within 6 months? You need to renew for upcoming trips immediately as they will not let you on the plane if you have less than 6 months validity left, and many people are not aware of this restriction.

One last thing I need your help with is address maintenance! There are many people in our little town whose mailing address needs correction due to the way you get your mail. If you live in Versailles or Hanover and have street delivery of your mail, then your MAILING address is correctly listed as whatever your street number and name is with BALTIC CT 06330 as the town. That is the office where your mail is actually processed for delivery, so that is the town listed for all home delivery of mail. However, regardless of which village you live in, or how long you’ve lived there, if you have a PO box in either Baltic, Hanover, or Versailles, your mail needs to be addressed to your PO BOX in the town the applicable Post Office is located. Your mail may be delayed in reaching your PO Box if it goes to the wrong town or is addressed to the street number and name. In these days of electronic sortation of the mail, it is imperative you use the correct address for all correspondence.

Like someone told me more than once: if you dial the wrong number on the phone, you’re not going to reach the right person. The same thing generally applies to your mail – so if you move, have a PO box, or want to help us promptly, accurately and timely deliver your mail, PLEASE use the correct mailing address format – it is VERY much appreciated! And as always – Quality, Convenience and Service: We deliver for you! Have a wonderful summer!! Tracy A. Medling, Postmaster Baltic-Hanover-Versailles
Sprague Democratic Town Committee Update

At our monthly meeting on June 1st our guest was Jonathan Harris. Jonathan has announced his intention to run for governor next year. He is a former mayor of West Hartford, state senator and executive director of the state Democratic Party. After reviewing his plan for the state he answered our questions.

Connecticut General Statutes mandates that the Town Committees meet during the week of July 18 - 25 to endorse candidates for the upcoming November Election. At that caucus the Nominating Sub-committee will present names of candidates they wish the town committee to endorse. Regardless of party affiliation – if you are interested in running for elected office and would like more information, please call Richard Waterman at 860-822-8932 or Claire Glaude at 860-822-9111 as soon as possible.

The Sprague DTC continues to encourage residents to register to vote.

Claire Glaude, DTC Secretary

Ride the Shetucket River

The Town of Sprague will provide a free shuttle between River Park and Scotland Dam.

There will be NO water release scheduled thus we will only provide transport when the river is at a level that will naturally provide for easy travel. Participants can put in any time between 10:00 and 12:00. You can ride the river as many times as time and the water level allows. The ride is 4 miles long and takes approximately 2 hours.

Dates for 2017 are: April 29th, May 27th, June 24th, July 29th, August 26th, September 30th, October 14th (at night)

Since Ride the Shetucket is level sensitive, check the Town website prior to the event for any cancellation postings.

We will be planning for hikes up along the Shetucket, over the Scotland Dam then back down along the Shetucket on days when the river level is too low to kayak (or tube down).

Paddlers need to have PFD’s and a distress whistle. www.ctsprague.org

Thanks to the fine folks at the Fusion Solar Farm (DepCom Power) for donating $12,000 to the Baltic Fire Department. We appreciate your support of our community!

2017 REVALUATION – update

Vision Government Solutions employees are continuing the data collection phase of the project. While the Data Collection phase is going on, Appraisers are studying property sales and determining where the actual increases and decreases in value are occurring. This study of property sales occurring over a 24-month period prior to October 1, 2017 allows comparisons to be made and Appraisers to establish parameters to estimate the value of property that has not been sold. The Appraisers then review this collected data and apply the determining factors of the sales analysis to value of each property.

In August, all property owners will be mailed a questionnaire that contains information about your property such as parcel size, type of heating system, bathroom count, etc. This data is from existing town records, but was recently converted to a new database. Vision Government Solutions and the Assessor’s office need your assistance in verifying the accuracy of the data. When you receive the questionnaire, please take a moment to review the information, make any changes on the form (if necessary) and return the completed form to the Assessor’s office as soon as possible. Thank you in advance for your cooperation!

For more information, call the Sprague Assessor’s Office at 860-822-3000 x222

Baltic Fire Department Ladies Auxiliary

Our regular meeting was held on Tuesday, June 13th, at the firehouse. We are winding down for the summer months as we do not meet in July and August. Our next meeting is scheduled for Tuesday, September 12th, at the firehouse at 7:00 pm. Top item on our agenda at that time will be the annual Holly Jolly Bazaar, which is scheduled to be held on Saturday, November 25th, at the firehouse.

Have an enjoyable and safe summer!

Please remember that anyone interested in joining the Auxiliary is welcome. We are always looking for new members and new ideas for fundraising. You need not be a Sprague resident or have a spouse or family member in the Fire Department to join the Auxiliary as a regular member. We have recently added Junior Members – young women between the ages of 16 and 18 who have a parent or guardian in the fire department or auxiliary.

Sincerely,
Jeannette Deschamps,
Secretary
