From the Desk of the First Selectman…

Thanks to all of you for supporting the May Town events, each was a success in its own right! June is just as busy we hope to see you at the POW-WOW, the outside movie and don’t forget the river run.

We are excited to introduce the new Town website, comments are appreciated and encouraged. This is a more interactive site that allows for dissemination of material in a more timely fashion, as well as sign-up for updates on senior, children and governmental events by visiting ctsprague.org.

We are continuing with roadside mowing and sweeping. Please watch out for our road crew as they work around Town!

There will be more information presented throughout the summer on upcoming projects, budget details, etc. By the by LaCroix Bridge is finally completed- this will allow for another access to Pautipaug Hill Road and provide for additional fire protection once the dry hydrant is installed.

The community garden is in next to the Shetucket Village. Primarily it will be used by the residents in senior housing. This was sponsored by the Sprague Agriculture Commission, and if it is successful more gardening beds will be put in next year.

As always thanks for your support,

Cathy Osten, First Selectman

Friends of the Shetucket River Valley

Dedicated to the protection of lands within Eastern Connecticut’s Shetucket River Valley watershed.

We are a non-profit volunteer organization of Connecticut residents, businesses and civic groups working with municipalities and organizations within the Shetucket River watershed, including Windham, Franklin, Scotland, Canterbury, Sprague, Lisbon, and Norwich. Please join us!

The mission of Friends of the Shetucket River Valley (FoSRV) is “to identify and protect open space in the Shetucket River Valley for the future enjoyment of the public and the preservation of key habitat for flora and fauna.” We assist municipal conservation and planning commissions, land conservations and trusts, and similar organizations within the Shetucket River watershed in their efforts to acquire title or easement to properties vital to the protection of the land and water along the Shetucket.

Because municipalities and land preservation organizations may not be able to act swiftly enough to acquire properties, FoSRV was created to assist them through fundraising, public awareness, and educational campaigns.

FoSRV is currently assisting efforts to acquire title to 230 acres of meadow, farmland, and forest habitats known as the Watson Farm. It abuts the Sprague Land Preserve, which is bordered by the Shetucket River. The Watson Farm will be a large and important piece of an expanding preserved area in Connecticut’s rural Last Green Valley. The Connecticut Department of Energy and Environmental Protection (DEEP) has committed 60 percent of the purchase price of the property and has granted a one year extension for the remainder of the funds, some $150,000. Working with Sprague’s Conservation Commission and other groups, FoSRV is seeking this funding through contributions, FoSRV memberships, and other fundraising activities. FoSRV urgently needs your assistance with this effort. Please consider becoming a member and contributing toward our goal. No donation is too small.

**Dog Licensing in the Town of Sprague**

June is Dog Licensing month in the Town and all dogs are required, by law, to be licensed after they are six months of age. When licensing your dog for the first time you must provide proof of an up-to-date rabies vaccination as well as either the spay or neuter certificate.

**Licensing fees as follows:**
- Spayed or neutered dogs: $8.00
- Non-spayed or non-neutered dogs: $19.00
- Guide dogs: FREE

Residents are welcome to either stop by the Town Hall and visit the Town Clerk or mail a renewal. Avoid late fees of $1.00 per month, per dog, and register your dog(s). The duration of the 2012 license is from July 1, 2012 to June 30, 2013.

**Mailing a renewal:** If during the past year your dog has been either spayed or neutered or a rabies vaccination was given by a vet, mail copies of these services with a check. The papers will be returned to you along with a new tag. Enclose a self-addressed stamped envelope and mail to: Town Clerk, PO Box 162, Baltic, CT 06330. A license is the ticket home for a lost dog and licensing provides vaccination and sterilization benefits.

**Spay or Neuter Your Pet (and Here’s Why)**

by Denise Dembinski

When adopting a pet from the pound you not only save a life and gain a valuable family member, but other benefits can be realized as well. Those who adopt from the pound receive a free vaccination/sterilization voucher to use at a participating vet. In order to receive the benefits the pet must have the surgery within 60 days of the adoption date. If your new pet is recovering from illness or is less than 6 months old you can be granted an extension from the participating vet. There are many reasons to spay or neuter your pet and here are a few:

- Control of pet overpopulation and unwanted pets
- Reduce burden on pounds and rescue organizations
- Neutered males are less aggressive and are less likely to escape and get hit by a car or get into a fight while seeking a mate
- Spayed females won’t roam and search for mates and fill your home with unwanted litters
- Females are less likely to develop ovarian and/or uterine cancer, especially if spayed before they first come into heat
- Males are less likely to develop testicular cancer or prostate disease.
- Spraying and marking are either reduced or eliminated

Some folks fear their pet will become fat and lazy and that’s just not the case. They will become friendlier and probably seek more affection. You’ll need to ensure they eat well, but not too much, and get sufficient exercise. By altering your canine friend you will ensure he/she will live a healthier life and live an average of 1-
to-3 years longer than unaltered dogs. They’ll live happier and healthier lives and likely live another 3-5 years. Let’s get those dogs and cats spayed or neutered.

**Post 85**

**5/2/12 Minutes**

The meeting opened at 7:27 p.m. 7 members confirmed a quorum. Meeting minutes for 4/3/12 were read and accepted. A discussion on the word limit for organizations submitting articles to Our Town was held. The Post will adhere to the 200 word limit until the Board of Selectmen is presented with a change for the veterans.

Don Bastien stated the Memorial Day Parade was in final planning and updated the ticket sales for the quilt fundraiser. Raffle tickets will be available during the parade. The Rifle guard will be meeting at the Commander’s. The membership will be called to solicit participants. The flag committee was formed. Volunteers will meet at 10 a.m. at the Lovett Cemetery on Monday May 21, 2012.

The Financial Officer and Senior-Vice Commander suggested that Boys and Girls State be put on hold until 2013-2014. The Financial Officer reported that $436.91 is in the checking account.

No hardship cases or sick members reported. Officer elections are in June. The October yard sale plans were postponed at this time. The next meeting is Tuesday, June 5, at 7:00 p.m. at the Sprague Rod and Gun Club.

Respectfully,

Tom Coletti, Adjutant

**Sprague Agricultural Commission**

Happy June, Sprague!

As those driving by River Park may have noticed, a very important step in our community garden has been completed. If you and/or friends and family members are interested in cultivating a plot, please let us know as soon as possible through spragueag@sbcglobal.net. Plots will be issued in order of received applications. There are three raised beds for this first stage; it is our hope that there will be interest enough to add additional plots as seasons pass. As always, feel free to contact us at any time with any concerns or questions, we look forward to serving in our best capacity possible. Have a wonderful summer!

**Academy of the Holy Family News**

The Academy of the Holy Family would love to have girls from Sprague in our school. We are committed to a good education, both spiritual and academic. Understanding the high cost of living, we are able to offer Sprague residents a reduction in tuition. Please contact us at 860-822-9272 if you are interested.

As the Academy of the Holy Family softball team completes the last week of the season, the post season is about to begin. Last week they qualified for the State Class S Playoffs which began on Tuesday May 29th. Also on Monday May 14th the Academy of the Holy Family was notified that they will play in the Constitution State Conference League Tournament. The Academy of the Holy Family tied with Abbott Tech for the eight seed; they had a one game playoff on Friday May 18th on a neutral field in Manchester under the lights at Cheney Tech High School. The winner of this game will advance to play next week in their quest of a league championship. Congratulations to the Academy of the Holy Family softball team!

The Seniors at AHF apply for a variety of scholarships. The Fireside Catholic Publishing Company offers a scholarship opportunity every year and this year we are particularly excited because one of our seniors was chosen as a finalist! Micala Smith placed 37 out of 328 students from around the country who were the sole entries from their Catholic schools. Participating High School Seniors were asked to complete an essay of 750 words explaining “How is your religious education influencing your life?” The Fireside Essay Scholarship, currently in its 22nd year was created to recognize students who have embraced religious education. If you’d like to read Micala’s essay, please see our ahfbaltic.org website where it is posted.

The Salvation Army
Upper New London County Service Unit

Some of us were talking the other day about how when we were young the community seemed to be very close; neighbors always worried about the safety of the children and would help us in many ways. I want to thank all those who have sent donation checks to the Upper New London County Service Unit at P.O. Box 304, Versailles, CT 06383. Your donations provide community action and ninety percent of them will be kept here.

Many towns have been destroyed in the last few so please try to keep a 72-hour kit equipped with enough food, water, warm clothes and blankets for 72 hours in a place where you can find it. Hopefully you will never need to use it, but if you are prepared you will not fear. If you need food, call the Town Hall and speak to Colette. Thanks to Scouting for Food there is food available to help you. Happy Spring!
-Dennison Allen, Town of Sprague Representative

Sprague Democratic Town Committee Update

At our May meeting, the DTC met and discussed the upcoming month’s events. We have finished with the state conventions and are preparing for a lively primary season; there is a plethora of good democratic candidates vying for positions that decide policy which governs our daily lives. Prepare your questions, listen to their answers, and remember the primary which will be in August! We also encourage you to vote at the upcoming budget referendum which will be held on June 5th, 2012. Polls will be open from 6am to 8pm- see you there!

The Sprague DTC encourages new residents to register to vote. Registered voters interested in serving on Town boards or joining the DTC should contact me or DTC secretary Claire Glaude at 860-822-9111. For additional information on the Sprague DTC visit our website at SpragueDemocrats.org.

Sprague Garden Club

We met in May to make tufa pots and mushrooms at a member’s home. Thank you to Maureen P. for organizing and hosting the club. There is no scheduled June club meeting so instead we will visit area gardens. An Installation of Officers will be held at Harkness State Park in July followed by a picnic and tour of the gardens. Our first meeting of 2012-2013 is scheduled for September 5, 6:30 p.m. at the Senior Center.

Teens Need to Become Educated Voters
Victoria Torres, Gales Ferry

What makes us capable of voting? It's not just turning 18; it's being mentally ready to vote. Turning 18 does not make everyone ready for a decision that changes our whole country. Most kids our age aren't focused on politics. We are more focused on college decisions, and other teen-related activities. We need a change, we need young adults to vote not because they have the ability to, but because they care about who will run our country.

Many young people went out and voted for Barack Obama in his election four years ago. A lot had to do with the constant advertising on MTV and BET. Did those young people who voted in that election know what they were voting for or was it because that election would make history?

I don't see any candidates in this election on MTV or BET. We need to educate teens my age on the differences between the parties. They need to know who and what they are voting for. We don't want teens going out and marking the first name they see. In this election I wish to see the younger society go out and vote because they know who they are standing by.

The above is a student editorial by the Academy of the Holy Family’s Victoria Torres. It was originally published in The New London Day on March 30th, 2012.
